

# YEAR OF THE GOAT TASK

## Make a Friendship Fortune Cookie

Use a software program, such as Word, to print out fun phrases. If you prefer, handwrite them to make them even more personal.

Place a dot of glue at the top of the circle.

Fold the circle in half and secure with the glue.

Slip your note inside the folded circle. Don't glue it in, just tuck it inside, far enough that the end of the note passes the middle of the circle.

Insert your thumb and forefinger into the ends of the folded circle and bring your fingers together to fold it into a fortune cookie shape. Secure with a little glue.
