

REUSING PLASTIC BOTTLES INSTRUCTION SHEET.

1. Watch the PowerPoint on the oceans and plastic pollution. Click on the video link to watch the fate of 3 plastic bottles.
2. Practical time! In this activity you will use a plastic bottle to make either a snack box or a bird feeder.
3. Choose one of the options below, and collect the materials you need.
4. Follow the instruction sheet.
5. You will then consider the advantages and disadvantages of plastic as a material and evaluate your product. The bird-feeders are the more challenging of the two options.
6. Take a photo of your work and send it to me.
