

Wherever  
there is a  
*human being*  
there is an  
*opportunity*  
for a  
*kindness*

You can  
accomplish  
by  
*kindness*  
what you  
**CANNOT**  
by force

Remember  
there's NO  
such thing as  
a small act of  
*kindness*  
Every act cre-  
ates a ripple  
with NO  
*logical end*

**Kindness**  
is the  
**sunshine**  
in which  
**virtue**  
grows.
