### IMAGES THAT WILL HELP YOUR LEARNING

### DISCUSSION POINTS AT HOME

Talk about you and your family. What is important to all of you and why?

Did you go to a firework display? How did you keep yourselves and your pets safe? Do you know why we have Bonfire night?

Talk about the significance of the 11th November with your grown ups. Light is part of all of these festivals. Discuss your thoughts about this. What does light mean to you or not? Beliefs and cultures are an individuals choice and should be respected.
