CORNWALL'S PREPARATORY SCHOOL

Enquiry Activity Grid

This homework grid is set for 4 weeks. Choose one activity per week.

Make the initials of your name using natural materials.	Collect and press some flowers in a flower press or book to use in some natural art in a few weeks time.	Go to wildlifewatch.org.uk/explore-wildlife/plants Read 5 different pages. Create a poster or mini-book about the different types of plants. Include information and facts from the pages you have read.
Read the story of 'Stickman' by Julia Donaldson (you can also watch a reading of it on YouTube). Find a stick and create your own stickman or stick creature.	Watch the two videos related to the book 'It starts with a Seed'. Copy some drawings from the pages.	Make a new list of plants and flowers that you can see growing now that we are in April and coming into the beginning of May.
Go to wildlifewatch.org.uk/explore-wildlife/plants/trees-and-bushes Create a tree dictionary using this information, adding in your own ideas too.	Use the twig identification sheet to identify different plants and trees that are starting to grow now we are in the season of Spring.	Find out about the moon's phases and create a timeline.
