

**Religious Studies**  
**Week Commencing 20<sup>th</sup> April 2020**

This week's assembly was about Guru Nanak, a great spiritual teacher and leader from the Sikh faith.

Watch the assembly again and think about Guru Nanak's birth and time on Earth. Are there similarities to a religion you know about? Are there differences?

You can express this in any way you like - but you need to give examples. You could write an essay or you could draw pictures which relate to the religions you are comparing and label them using different colours for similarities and differences. You could do a presentation in PowerPoint or another programme you understand or would like to work with.

Please let me have your work by Monday 27<sup>th</sup> - or explain why you need an extension, so I know to hold on a bit!
