

Religious Studies for the week commencing 11th May 2020

Years 1 - 4

This week we have heard about Dame Julian of Norwich. She was a mystic and a visionary as well as writing the oldest surviving book by a woman.

She has been studied by people since the 14th Century and her words are still listened to.

Whose life do you admire? Find or draw a picture of them and write about what has made you look up to them.
